5652AT Eindhoven
Nederland,

Product description: Ready to wear spectacles / reading glasses - Medical Device Risk Class I
Product code: RDR03225-003, RDR03683-006, RDR03730-001, RDR03729-000, RDR03693-005,
RDR03196-001

Product UDI: 006-230608

We declare under sole responsibility that the medical device mentioned above conforms with the applicable provisions of REACH Regulation (EC) No 1907/2006 and (MDR) Medical Device Regulation (EU) 2017/745, as well as with the following standard in its most recent release: EN 14139 Ophthalmic optics – Specifications for ready-to-wear spectacles

And therefore with

EN ISO 8980-1	<i>Ophthalmic optics - Uncut finished spectacle lenses - Part 1: Specifications for single-vision and multifocal lenses</i>
EN ISO 12870	<i>Ophthalmic optics - Spectacle frames - Requirements and test methods</i>
EN ISO 14889	<i>Ophthalmic optics - Spectacle lenses - Fundamental requirements for uncut finished lenses</i>
EN 16128	<i>Reference test method for release of nickel from those parts of spectacle frames and sunglasses intended to come into close and prolonged contact with the skin</i>

Remarks:

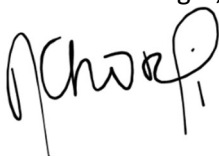

All materials of the objects described above comply with REACH regulation. A proof can be provided that all materials, that have skin contact, are biocompatible.

The ready-to-wear spectacles have been tested according EN 14139 and have completely met the requirements.

The lenses fulfil the optical requirements of EN 14139 / EN ISO 8980-1 not only in the optical centre, but also within a radius of 1 cm around the optical centre. This has been verified by checking at 5 measuring points (optical centre + 1 cm above, below, left, right of the optical centre).
